Narrative

- A. Bird and Simons
We should cite and reference digital artifacts
- B. Tromsø
How we can format data citation in linguistics

Main research question:

How easy is it for authors to meet the requirements in A & B?

Research Questions

Main research question:

How easy is it for authors to meet the requirements in A & B?

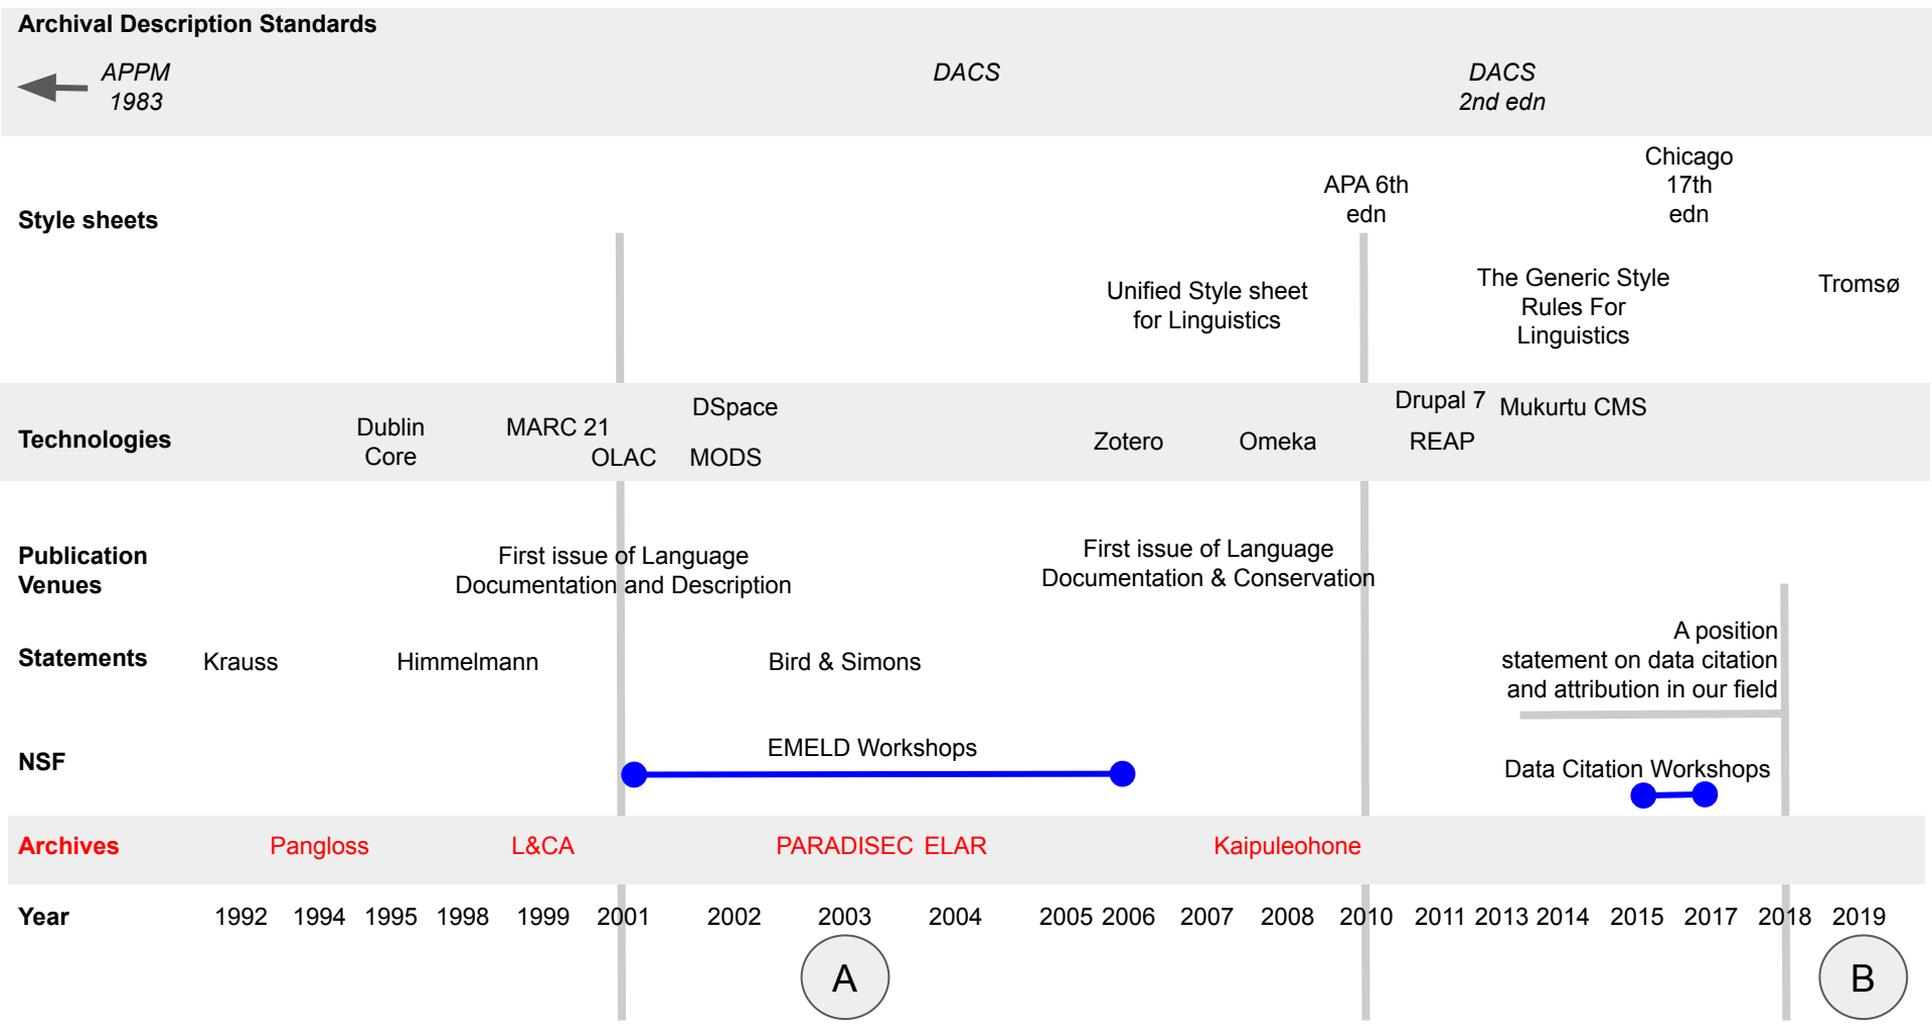

Secondary research questions:

What are the friction points (obstacles to good interoperability)?

How are these obstacles addressable?
